General information:

Are you thinking of pursuing a graduate degree? If so, you have an important decision to make:

Will it be an advanced technical degree, an MBA, or something in-between?

Are you aware of your options in South Eastern Idaho? The GOLD committee of the Eastern Idaho Section of IEEE is providing you an opportunity to network with faculties and students from both available programs. More information can be found at <http://husky.if.uidaho.edu/ieee>.
